

WARRAGUL NATIONAL EXHIBITION OF PHOTOGRAPHY. CLUB TRIP - 11TH JULY, 2009.

Sunday, 11th July, eleven club members drove to Warragul to attend Warragul Camera Club's National Competition.

We took off at 8.30am in the Apex Healesville coach, kindly organised & driven by Derek.

We stopped in a little park in Neerim for morning tea, which included muffins baked by Jeanie & Bill. Its hard to say which were the yummiest!

We were overawed by the standard of prints at the competition. We scrutinized them closely and called each other over to admire the lovely work. We viewed digital prints and slides in a separate presentation, which were also wonderful and a very high standard. Some of us had not attended a National Competition before!

Lunch was enjoyed at LaPorcetta in Warragul along with wine & friendly conversation.

In the afternoon, we went to Lillico's Glass Blowing studio, just outside Warragul. We looked at lovely glass pieces, artworks, plates, jewellery and more. We looked around the workshop and our hosts, a pleasant Welsh couple, showed us around the lovely property and gardens overlooking the Gippsland countryside. They have clearly worked so hard on their lovely home & business! We relaxed, chatted, took photos and enjoyed the sunshine!

We arrived home at around 5.00pm and we'd like to say thanks to Derek, Bill & Jeanie for organising the outing!
